

PRICE LIST MOBILE VIKINGS POLAND
PRICING OF TELECOMMUNICATIONS SERVICES VIKINGCO POLAND SP. Z O.O.
EFFECTIVE FROM 22.07.2015

All prices in this Price List are given in Polish zloty (PLN) and include Value Added Tax (VAT), unless otherwise indicated.

Charges for sending SMS messages , as described in this Price List, is the length of a single SMS. The length of a single SMS message sent to your phone GSM or UMTS technology in accordance with the standards of ETSI (European Telecommunications Standards Institute), was set at no more than 160 characters. When sending a message containing more than 160 characters or more than 1120 bits , text or data is divided into the appropriate number of SMS messages , each of which is a fee charged individually under this Price List. When using the telephone , encoding Polish characters (eg, ą, ę , ź) in UNICODE mode , one SMS can contain fewer than 160 characters.

The fee for sending a multimedia message is charged for each 100 KB messages. The maximum size of a single MMS is 300 KB .

Any words or phrases spelled out in this Price List with a capital letter shall be construed in accordance with the definitions contained in the Regulations provide Telecommunications Services by VikingCo Poland Sp. z o.o. , unless the provisions of this Price List are different.

For 'Call+text+data' tariff the maximum units of data is 8 GB.

For 'Data only' tariff there is no maximum units of data.

I. PRICING OF BASIC SERVICES
