

## TERMS AND CONDITIONS OF “THE BIRTHDAY PROMOTION” AT MOBILE VIKINGS

VALID BETWEEN 4.12.2014 AND 4.01.2015

“The Birthday Promotion” is addressed to both new and current users of Mobile Vikings. The promotion means adding an extra bonus of a Play Viking bundle valid for 31 days, which enables unlimited free calls to all Users connected with Play operator ( Play, Mobile Vikings, Red Bull Mobile, Virgin Mobile, Truphone, Netia Mobile, Izzi, Inea) for those using a Call+SMS+Data SIM card or a top-up of 10 PLN (0,5GB of data for 14 days) for all Users using the Data-only SIM card.

### § 1. § 1. GENERAL CONDITIONS OF PARTICIPATING IN “THE BIRTHDAY PROMOTION”

1. The promotion takes place between 04.12.2014 at midnight until 04.01.2015, 23:59.
2. The promotion is addressed to:
  - a. Users who in the term of the promotion will perform a top-up with any amount (8zł, 10zł, 19zł, 29zł) for those using the “Calls+SMS+Data” SIM cards or a top-up for the data-only SIM card (10zł, 20zł, 30zł, 50zł).
  - b. people, who in the promotional period have purchased a SIM card.
  - c. people, who have purchased any kind of SIM card before the promotional period but have activated the SIM card during the period.
  - d. people, who have purchased a transfer number SIM card, but whose actual transfer will take place in the time of the promotion.

In case of purchasing a SIM card by using a promotional code, the bonus will be given only after a top-up is made during the promotional period, as in point 2 a).

3. In case of meeting any of the conditions mentioned above the bonus will be applied and activated automatically after SIM card activation or after performing the first top-up.
4. In the case of Users of the “Call+SMS+Data” SIM card, who already have a Play Viking bundle activated or are taking part in the promotion by purchasing the top-up of 8 or 10zł, the bonus will be added and its validity will be summed up and prolonged with 31 days.
5. In case of “Data-only” users, the bonus will be activated automatically, and 0,5GB of data will be added to the SIM card. The expiry date of the data will not be prolonged. There is no possibility to prolong the activation moment of the bundle.
6. The bonus is granted only once for each phone number.

7. The bonus cannot be converted into calling credit or Viking Points.
